Principal's message

Welcome to the 2012 school year. I hope you all had an enjoyable summer break. A special welcome also to our new Kindergarten students who have settled in quite well considering the changeable weather conditions. I have seen all the students and spoken to many since their return and they seem eager to get on with their learning.

Classes have been formed and should remain as they are for the remainder of the year. If there are extra 'in area' enrolments we may need to do another re-shuffle, hopefully not! The teachers and I have carefully considered the placement of all students and regardless of how classes are formed, each child is taught and assessed in terms of the NSW DET Syllabus Learning Outcomes.

It is with much pleasure that we welcome Mrs Peggs as a permanent member of the Lindsay Park School staff. Mrs Peggs has been a casual teacher for the past three years and has proved her worth many times over. She has much to contribute and her appointment is well deserved.

Each of the six primary syllabus areas are organised into stages: Kindergarten - Early Stage 1
Years 1 & 2 - Stage 1, Years 3 & 4 - Stage 2, Years 5 & 6 - Stage 3.

An information/welcome back barbecue evening has been organised for **all families** on Friday, 17th February. Teachers will be sharing information about their educational programs, expectations and requirements for 2012. Please note that this is not the time for individual interviews which will be held at a later date.

More information about the evening will follow in a separate note. The classes and times are as follows:

KT-Mrs Tome, KD-Mrs Dowling and Miss Bryant, K/1M-Miss Mizzi: 3.00pm

1P-Mrs Peggs, 1H-Mrs Henry: 3.30pm

2C-Mrs Cecchele, 2/3W-Mr Whitton: 4.00pm

3/4C-Mrs Coomby, 4J-Mr Jones, 4/5H-Mrs Hart: 4.30pm

5S-Mrs Seymour and Mrs Colquhoun: 5.00pm

6M-Mr McGuire: 5.00pm

I believe we are off to a great start and will be eager to share some of the students' achievements in the coming weeks and months.

Reminders

- All children are to be picked up from the Infants verandah in the afternoon. If there is to be a change to the normal routine, please ensure that the class teacher is informed.
- No child is to play on the play equipment before or after school as it is not being actively supervised by a teacher.
- **Please do not park in the driveway as it blocks access for teachers and presents a danger for students who cannot be seen entering school grounds.**
- **Please enter the school grounds via the two small walk ways and not the teachers' carpark. Using the carpark is a very dangerous practice and should be avoided at all costs.**
- Please ensure that jewellery and other valuables are kept at home. We can not be responsible for lost items.
- **When sending money, please ensure that your child's name is clearly written on the envelope.**
- **Textbook fees have been handed out. It would be appreciated if these could be paid for as soon as possible.**

LIBRARY NEWS

Library borrowing has commenced.

Please put your library bags in your school bag so you are able to borrow.

Parents of Kindergarten students, please supply your child with a library bag, this needs to be reasonably large to accommodate larger format picture books. A pillowslip, green type shopping bag or similar would be fine.

Thankyou *Mrs Colquhoun,*

TEACHER LIBRARIAN

ASTHMA

Recently we have had a number of students who are known asthmatics have an asthma attack at school.

None of these students were in possession of an asthma puffer of any kind.

If your child suffers with asthma the school needs to have the appropriate medication for that child available at all times.

Regardless of whether your child usually has their medication in their bag, the school would appreciate it if you could supply a puffer labelled with your child's name to be kept in the office at school for emergencies or for the days when your child forgets to bring their puffer to school.

Please pick up an Asthma Record form from the office and return it filled in, as soon as possible, with a puffer.

We are endeavouring to give your children the best care possible

Thankyou

SCHOOL WEBSITE

Last year parents of all children in years one to six signed a permission note allowing the school to add their child's / children's photos or names to the website or newsletters. If there are any changes to the information on the notes that were returned last year, please download a new note from the "Notes" section on the school website. It is very rare that photos and names are added on the website together.

You will also find the required resources for each class listed in the "Notes" section .

Thank you, I am looking forward to a fun filled and successful 2012.
